

Acid Free

Non-Acid Restroom Cleaner

Acid Free Non-Acid Restroom Cleaner is for use where housekeeping is of prime importance. **Acid Free** will clean and disinfect hard, non-porous surfaces such as walls, sink tops, furniture, telephones, shower stalls, bathtubs, hampers, cabinets, and bedsprings. **Acid Free** has disinfecting action that kills the HIV-1 (AIDS virus). In addition, **Acid Free** will deodorize those areas that are generally hard to keep fresh smelling such as garbage storage areas, empty garbage bins and cans, basements, and restrooms. EPA Registered.

DIRECTIONS FOR USE

DISINFECTION: Use 4 ounces **Acid Free** per gallon of water for a minimum contact time of 10 minutes in a single application. For disinfecting, remove filth and heavy soil deposits. Pre clean all surfaces prior to disinfection; then thoroughly wet surfaces. **Acid Free Non-Acid Restroom Cleaner** is extremely versatile and can be applied with a mop, sponge, or cloth as well as soaking.

CLEANING & DISINFECTING TOILET BOWLS: To clean, squeeze **Acid Free Non-Acid Restroom Cleaner** around the bowl and under the rim. Leave for 10 minutes or overnight if possible. Swab, then flush. To disinfect, first remove or expel over the inner trap the residual bowl water prior to applying the use dilution.

See label for further instructions.

TECHNICAL DATA

Color.....	Blue
Scent.....	Fresh
