

# All Purpose Enzyme

## Liquid Enzyme

A fast acting, multi-purpose enzyme for use in grease traps, drain lines and pipes, septic tanks, and as a carpet spotter. Works faster than other enzyme products leaving drains clean and safely maintained. **All Purpose Enzyme** has a pleasant floral fragrance to help eliminate obnoxious odors.

DIRECTIONS FOR USE: Shake well before using.

GREASE TRAPS: For small grease traps (less than 20 cubic feet), pour 6 to 8 ounces of **All Purpose Enzyme** daily down the main drain closet to the trap. For larger traps and systems with heavy loading, use 16 to 18 ounces of **All Purpose Enzyme** per day.

DRAIN LINES & DOWN PIPES: Pour 4 to 6 ounces of **All Purpose Enzyme** twice a week. For heavily used lines or problem lines, a daily dosage may be required.

SEPTIC TANKS: Add 32 ounces of **All Purpose Enzyme** for initial treatment. Thereafter, add 8 ounces per week by flushing down the toilet. If the septic system is fouled, use a double dosage for first 1 - 3 months.

CARPET SPOTTER: Remove excess waste. Test for colorfastness in an inconspicuous area. Mix 1 part **All Purpose Enzyme** with two parts water and clean area (use mixed solution within 2 to 4 hours).

For severe spots, use undiluted. Repeat procedure, if necessary, for persistent problems. BATHROOMS: Squeeze **All Purpose Enzyme** directly into bowl or urinal, then flush. For wet mopping, mix 4 to 6 ounces of **All Purpose Enzyme** to 1 gallon of water in a bucket and mop floors. **All Purpose Enzyme** eliminates the source of the odor.

### TECHNICAL DATA

Color.....	Milky White
Scent.....	Pleasant
Foaming.....	N/A
Solubility in Water .....	Complete
Density (lb/gal) .....	8.3
Flash Point.....	None
PH.....	6.9-7.1

# All Purpose Enzyme

Liquid Enzyme

## FEATURES

Safe

Drain Opener

Pleasant Fragrance

Ready-to-use

Versatile

Live Bacteria

## CUSTOMER BENEFITS

No hazardous material

Eats away grease and oils

Easy to work with

No mixing hassles

Carpet spotter, drain opener, deodorizer, septic tanks, and bathrooms

Eats away urine, grease, and oils
