

Clearvue

Windshield Cleaner

Clearvue is an advanced windshield cleaner specifically formulated to meet the needs of warm weather climates. Our proprietary formula utilizes powerful cleaners to help remove bugs, road grime, bird droppings, and tree sap. Improves visibility and cleans to a streak free shine.

DIRECTIONS FOR USE

Dilute 8-12 ounces of **Clearvue** to 55 gallons of water. Add directly to washer fluid reservoir. For cleaning bugs and bird droppings, spray **Clearvue** liberally soon after contact with the windshield. Dried, baked-on residue may require other means of cleaning the windshield. **Clearvue** is intended for use in warm temperatures.

TECHNICAL DATA

Color.....	Dark Blue
Scent.....	Chemical
Foaming.....	Medium
