

Express Wash

Truck, Bus, & Trailer Wash

Express Wash is specially formulated to eliminate the need for brushing diesel fumes, road grime, bugs, and dirt. **Express Wash** is free-rinsing, fast acting, economical, non-flammable, biodegradable, and water-based.

DIRECTIONS FOR USE

Express Wash may be used manually, with spray-wash equipment, in automatic mechanical foaming devices, or in steam cleaning equipment; **Express Wash** is used most effectively at a dilution rate of 5 ounces per gallon of water, but may be strengthened or weakened accordingly.

TECHNICAL DATA

Color.....	Water White
Scent.....	Chemical
Foaming	High
Solubility in Water	Complete
Density (lb/gal)	8.66
Flash Point	None
pH	12.7

FEATURES & BENEFITS
