

Extracto

Carpet Extraction Shampoo

Extracto is a carefully selected blend of low-foaming detergents and builders designed to aid the jet flushing cleaning of extractors. The built-in odor eliminator reduces unpleasant odors while the detergents penetrate, suspend, and emulsify both water and oil soluble embedded soils.

DIRECTIONS FOR USE

Vacuum thoroughly. Before using any product on carpet or fabric, test a small, hidden area for color fastness. Pre-spot with **Gotcha**. In high traffic areas pre-spray with **Extracto** at 12 ounces per gallon of water and let set for 5-10 minutes.

LIGHT CLEANING: Dilute 1 ounce **Extracto** per gallon of water.

HEAVY CLEANING: Dilute 2 ounces **Extracto** per gallon of water.

TECHNICAL DATA

Color.....	Clear
Scent.....	Floral
Foaming	Low
Solubility in Water	Complete
Density (lb/gal)	8.6
Flash Point	None
pH	10.4-10.6

FEATURES & BENEFITS

Extracto

Carpet Extraction Shampoo

FEATURES

Safe for use on all carpet including stain-resistant nylon

No OSHA reportable hazardous ingredients

Low foam; no residue
