

# Flash Bright

Toilet Bowl Cleaner

**Flash Bright** is a high-acid toilet bowl cleaner. For hospital, institutional, and industrial use. Cleans and deodorizes. Removes stains and hard water deposits.

DIRECTIONS FOR USE

TOILET BOWLS & URINALS: Remove water from bowl by forcing it over the trap with a bowl mop. This will expose the soiled inner wall. Apply **Flash Bright** to the inner surface by squeezing its directional spout bottle and circling around the bowl and under the rim. Swab with a bowl mop to release soil deposits from the surface and flush to rinse.
