

Foamy

Germicidal Cleaner & Deodorant

Foamy is an excellent germicidal disinfectant cleaner and deodorant. Its foaming formula clings to vertical surfaces for great cleaning. Effective against HIV-1 and other hospital level viruses. Inhibits mold and mildew build up. **Foamy's** mild alkaline formula exhibits excellent cleaning properties while disinfecting. EPA Registered.

DIRECTIONS FOR USE

CLEANING: Shake can. Spray Foamy evenly over surface, allowing sufficient time for the foam to penetrate heavy soil deposits. Wipe off. Chrome fixtures may be rinsed for high shine.

DISINFECTING: Clean surface thoroughly as instructed above. Apply a thin coat of film, making sure to cover entire surface to be disinfected. Allow foam to remain for at least 10 minutes, then wipe off or allow to air dry.

MILDEWSTAT: Follow the disinfection instructions above. Repeat application weekly or when growth reappears.

See label for further instructions.

TECHNICAL DATA

Color.....	White
Scent.....	Floral
Foaming	High
Solubility in Water	Complete
Density (lb/gal)	N/A
