

# Fumeless

## Alkali Drain Opener

**Fumeless** is a highly concentrated alkali drain opener that digests organic matter such as grease and hair quickly. It is heavier than most alkali drain openers enabling it to penetrate blockage faster. **Fumeless** absorbs one third more grease and fats than traditional drain openers.

### DIRECTIONS FOR USE

Pour **Fumeless** down drain lines at regular intervals to ensure drain lines are clear of grease, hair, etc. If drain lines becomes clogged, add **Fumeless** directly into drain.

### TECHNICAL DATA

Color.....	Clear Amber
Scent.....	Chlorine
Foaming.....	N/A
Solubility in Water .....	Complete
Density (lb/gal) .....	9.6
Flash Point .....	None
pH .....	13.9

FEATURES & BENEFITS

# Fumeless

Alkali Drain Opener

## FEATURES

Alkali drain opener

Absorbs 1/3 more grease and fats than other drain openers

Quarts are ready to use

## CUSTOMER BENEFITS

Safe "No Acid"

Very effective

Saves on storage space
