

Homerun

Baseboard Stripper

Homerun easily penetrates and removes stubborn floor finish build-up and heavy soils from baseboards, resilient tile, and hard surface flooring. The no-drip foam clings to vertical surfaces longer for excellent results. **Homerun** sprays in an inverted position for pinpoint accuracy. The alkaline and solvent formula provides powerful and fast removal of old dirt and wax build-up without harsh fumes. Works well with all types of strippers. Pleasant spearmint fragrance.

DIRECTIONS FOR USE

Hold can upside down. Spray **Homerun** uniformly from a distance of 10 to 12 inches. Allow powerful foam 5 minutes to penetrate and lift away old dirt and wax build-up. For severe build-up, agitate with hand pad or machine stripping pad. Pick up residue with damp sponge or mop.
