

Industrial Bowl Cleaner

Toilet Bowl Cleaner

Industrial Bowl Cleaner is an acid emulsion toilet bowl cleaner, for Hospital, Institutional, and Industrial use. Cleans and deodorizes, removes stains and hard water deposits.

DIRECTIONS FOR USE

TOILET BOWLS & URINALS: Remove water from bowl by forcing it over the trap with a bowl mop. This will expose the soiled inner wall. Apply **Industrial Bowl Cleaner** to the inner surface by squeezing its directional spout bottle and circling around the bowl and under the rim. Swab with a bowl mop to release soil deposits from the surface and flush to rinse.
