

Pink Wash

Hand Dishwashing Liquid

Pink Wash is an industrial strength dishwashing liquid made for today's commercial kitchen. **Pink Wash** gives you long lasting suds with superior grease cutting action. Gentle on the hands and pleasantly scented. Leaves dishes, glass, pots, and pans squeaky clean.

DIRECTIONS FOR USE

DISHES & GLASSWARE: Dilute 1-2 ounces of **Pink Wash** per gallon of warm water. Rinse with clean water and dry.

POTS & PANS: Dilute 2-4 ounces of **Pink Wash** per gallon of warm water. Rinse with clean water and dry.
